Action being taken

Outcome	A4: The authorisation process, including the management of appeals, is fair, based on the regulator’s standards, efficient and transparent.
Action	BSB to take the necessary actions to enable compliance with the current and new IGR.
Timing	To be completed by the end of the six month transition period which will commence following publication of the new IGR.
Outcome	S3: The regulated community are monitored to provide assurance that standards are met. If they are not, steps are taken to remedy this.
Action	BSB to explain its programme of work in respect of assuring ongoing competence, which must address the advocacy quality risks identified through its development of QASA (and referenced in its application to remove QASA from the BSB Handbook).
Timing	BSB to provide details of its programme of work on assuring competence by 31 January. LSB to review progress against this programme in May 2019.
