General Response	Received	
CL	17/7/15	I agree with the proposal.

CL	19/7/15	Thank you for this. My only comment is that surely there are or will be more than 610 members to whom the levy applies. Otherwise all seems in order to me which is more than can be said for the ACL accounts as last presented in May! What a shambles. I am hopeful that things will get sorted there!
