Dear

### **Annual Practising Certificate Fees**

The Institute's Council met on 15 July to consider recommendations in relation to the annual Practising Certificate Fee (PCF) for you, and for other members of ILEX. Council had before it budget information from ILEX Professional Standards (IPS), which sets its budget for the regulatory work it undertakes quite independently of Council. IPS has seen the proposed PCF and made no comment on it.

In light of the regulatory activity in relation to your position as Associate Prosecutors, I am pleased to say that there will be no increase in the cost of your Practising Certificate for the year 2012.

Yours sincerely

**MRS. D. BURLEIGH**  
**CHIEF EXECUTIVE**
