Legal Services Board is launched

On 1 January 2009 the Legal Services Board (LSB) became fully constituted with the formal appointment of Chris Kenny as its inaugural Chief Executive.

The timing coincides with the move of the LSB into its new offices in Victoria House, Southampton Row, London and the launch of its new website www.legalservicesboard.org.uk.

The Board, chaired by David Edmonds, will now be developing its work programme in order that it can assume all of the powers assigned to it under the Legal Services Act 2007 by the end of 2009.
