Assessing applications against the Knowledge and Experience Guidelines

6. Knowledge of the law relating to probate business

- 6.1 Applicants who have passed the ILEX level 6 examinations in probate and succession (now wills and succession), probate practice and equity and trusts will normally satisfy the Institute's knowledge requirements.
- 6.2 Applicants who rely on ILEX Level 6 qualifications should submit full details of the dates on which the examinations were taken.

- 6.3 Applicants who wish the Institute to accept other qualifications as being of a similar standard and content of the ILEX Level 6 examinations must submit full details of the syllabus of those qualifications, the dates the relevant examinations were taken and such evidence of success in those examinations as the Institute may determine.
- 6.4. Qualifications falling within paragraph 6.3 will be assessed against the Knowledge and Experience Criteria in paragraph 5 using the scoring system in paragraph 6.7.
- 6.5 Those applicants who wish the Institute to accept knowledge gained other than through formal examination will need to submit a completed assessment form provided by the Institute which establishes that their knowledge of the law and practice relating to probate business is equivalent to a successful candidate at the ILEX Level 6 exams referred to in paragraph 6.1.
- 6.6 Assessment forms submitted by applicants under paragraph 6.5 will be evaluated by reference to the Knowledge and Experience Criteria in paragraph 5 using the scoring system referred to in paragraph 6.7.
- 6.7 The information submitted by an applicant under paragraphs 6.3 and 6.5 will be assessed using the Knowledge column of each of the four subject areas in the Knowledge and Experience Criteria. Each of these four areas has been assigned 100 points and applicants will be expected to score as follows:

Subject area	Assigned points	Score required
Wills	100	50
Grant of probate and related issues	100	50
Taxation and financial aspects of estate administration	100	50
Equity and Trusts	100	50
TOTAL	400	200

- 6.8 If applicant's score is below the required level the Institute may:
- request further information
 - defer the application to enable the applicant to undergo further training or to seek further qualifications

- refuse the application

6.9 Where the Institute decide to defer or refuse an application, the applicant may make representations in writing to the Institute regarding his knowledge. Where further representation are made by an applicant, the Institute will consider whether in light of those representations the applicant meets the knowledge criteria.

6.10 The knowledge threshold has been set at a level to ensure that all Certificate holders can demonstrate knowledge of the law and practice relating to probate business at the same level as successful candidates in the ILEX Level 6 exams referred to in paragraph 6.1.

7. Experience of delivering probate services

7.1 All applicants will need to establish that they have had experience of delivering probate services, as a substantial part of their work. Accordingly, each applicant must submit a portfolio (the experience portfolio) in portfolio form in accordance with the **Portfolio Guidelines** at **Appendix 2** which:

- shows the nature of the work carried out by the applicant,
- specific cases handled by the applicant in accordance with these Guidelines

7.2 In order to assess the nature of the work carried out by the applicant the following information will be required:

- a description of the probate business which the applicant has handled.
- description of the applicant's typical caseload.
- the number of chargeable hours spent on probate business in each year.
- the proportion of time spent on probate business.
- description of the range and nature of probate business delivered
- details of any distinctive features of the applicant's work.
- details of any supervisory arrangements under which the applicant works and/or his supervisory responsibilities.

7.3 The experience portfolio must also contain a description of 5 cases that an applicant has handled over the past two years demonstrating his probate business experience.

7.4 Applicants will normally be expected to have substantial experience within each of the 4 modules of the Knowledge and Experience Criteria and this will be assessed using the scoring system referred to in paragraph 7.5. The

Institute will normally give preference to experience of probate business within the past two years.

- 7.5 The information submitted by applicants under paragraphs 7.2 and 7.3 will be assessed using the Experience column of each of the four subject areas in the Knowledge and Experience Criteria. Each of these four areas has been assigned 100 points and applicants will be expected to score as follows:

Subject area	Assigned points	Score required
Wills	100	60
Grant of probate and related issues	100	60
Taxation and financial aspects of estate administration	100	40
Equity and Trusts	100	40
TOTAL	400	200

7.6 Analysis, critical judgment and evaluation

As part of the assessment of an applicant's experience of probate business the Institute will be looking for evidence of the following skills. The ability to:

- recognise and rank items and issues in terms of relevance and importance.
- integrate information and materials from a variety of different sources.
- undertake the analysis of factual information in a logical and coherent way.
- make critical assessments of the law relevant to a client's situation.
- present reasoned options to clients.
- undertake independent research in these areas using standard legal information sources.
- reflect on their learning and to make constructive use of feedback.

7.7 Autonomy

Where appropriate, the extent to which an applicant is able to plan, prepare and undertake work without supervision will be taken into account.

7.8 Scope and quality of experience

The scoring system described in paragraph 7.5 is intended to ensure that applicants have experience across the range of areas set out in the knowledge and experience guidelines. It also recognises that from a practical point of view many suitable applicants will not have had experience of all aspects of probate business.

Applicants will be expected to be actively and professionally involved in delivering probate services at the date of their application. Although current experience in all areas set out in the knowledge and experience criteria will be persuasive, due account will be taken of the breadth of an applicant's experience in the two years preceding their application. The certification rules also provide for those applicants who, at date of their application, do not have experience across the full range of the knowledge and experience criteria. These rules provide a gateway for applicants in this category who are felt by the Institute to have the potential to be able to meet the full range of the knowledge and experience criteria.

In addition to this the Institute will normally be looking for evidence that applicants have handled probate business from taking instructions from a client to completion. The quality of applicants will be an important part of the assessment of an applicant's experience and regard will be had to the seriousness and complexity of matters he has handled.

7.9 Career breaks/illness

The Institute will recognise that applicants may have had a break in their experience owing to factors such as career breaks, job changes, maternity leave, long-term illness or disability. It will not discriminate either directly or indirectly against applicants whose experience has been affected in this way. These applicants will still need to establish an acceptable standard of knowledge and experience and may provide details of experience gained during a different period when they were more actively engaged as probate practitioners.

7.10 Other factors

There may be other factors that affect the range of experience of an applicant over the past two years, to the extent that an applicant's current experience may not reflect his overall experience of probate business. The Institute, at its discretion, may consider details of more active periods of involvement in probate business from applicants whose experience of probate business in the two years preceding their application discloses a pattern that could be regarded as atypical.

PORTFOLIO AND DEVELOPMENT PLAN GUIDELINES

1. These Guidelines apply to portfolios submitted with applications for a Probate Services Certificate (Certificate), assessment forms and to development plans submitted under Rules 5.3.8 and 5.3.9 of the Certification Rules.

The Institute will give greater weight to cases handled by the applicant in the past two years. Wherever possible applicants should relate these cases to the four subject areas in the Criteria.
7. There must be a concise description in the experience portfolio of each matter and the following information must be provided:

5. **Uninsured Practise**

5.1 An ILEX Practitioner must not practise whilst uninsured. IPS may take steps by court proceedings or otherwise to restrain an ILEX Practitioner from practising whilst uninsured.

5.2 The conduct of an ILEX Practitioner who practises without a policy of indemnity insurance in place will be investigated under the ILEX Investigation, Disciplinary and Appeals Rules.

5.3 The conduct of an ILEX Practitioner who makes dishonest or fraudulent declarations when submitting an application for insurance cover will be investigated under the ILEX Investigation, Disciplinary and Appeals Rules.

5.4 IPS may include within the minimum terms and conditions or Master Policy such cover to protect the public against unsatisfied claims against uninsured ILEX Practitioners as it shall think appropriate. IPS shall be entitled to recover against any ILEX Practitioner to whom that cover has applied for any period (whether or not a claim has been made) such contributions to the cost of the Master Policy to IPS as IPS shall direct by written notice or notices. Such contributions shall be recoverable as debts of the ILEX Practitioner.

6. **Run-off Cover**

An ILEX Practitioner who ceases practise must provide IPS with a certificate of "run-off" cover provided by their own policy of insurance or on the terms of the Master Policy for a minimum of 6 years from the date of cessation.

7. **Evidence of Cover**

An ILEX Practitioner must disclose the identity of their insurer to any client upon written request.

8. **Compliance with Policy Terms**

An ILEX Practitioner must comply fully with the terms of their own policy of insurance or the Master Policy including (without limit) as to changes in circumstances and requirements for notification.

9. **Exchange of Information**

IPS shall be entitled to:

9.1 require ILEX Practitioners to produce any information it might require concerning a claim;

- 9.2 exchange information concerning a claim with Insurers and Brokers;
- 9.3 receive evidence from Insurers when any insurance is voided;
- 9.4 disclose to Insurers any information concerning the conduct of an ILEX Practitioner or his practice which may affect the insurance policy.

Annex 1 THE CURRENT MASTER POLICY TERMS AND SPECIMEN CERTIFICATE OF INSURANCE

1. IPS will take out a Master Policy with an insurance company. The policy may be arranged through an Insurance Broker.
2. The insurance company will be known as the Authorised Insurer.
3. The policy will indemnify the ILEX Practitioner and their practice against civil liability and defence costs arising from the provision of legal services except any sums that they have recovered from the other party to the proceedings.
4. The policy will cover claims made during the period of the policy and claims made during the period of the policy relating to events that occurred within the previous 6 years.
5. The policy will cover the acts or omissions of the current and former ILEX Practitioners, partners, co-members or co-directors and employees of the practice or, in the case of run-off cover, the preceding practice.
6. The minimum level of cover will be set from time to time by the IPS Board.
7. Where separate claims are made arising from the same or related acts or omissions they can be aggregated and regarded as one claim.
8. There will be no limit on defence costs.
9. The level of excess that an ILEX Practitioner is liable to pay will be set at £2,500, however, a ILEX Practitioner may vary the level of excess. There will be no excess for defence costs.
10. A policy of indemnity insurance may only be cancelled where the practice is merged with a successor practice which has obtained cover for the new entity.
11. The insurance must not exclude or limit the liability of the Insurer in cases of negligence or breach of duty by the insured except to the extent that any civil liability or defence costs arise from the following matters:
 - Any liability of the insured for causing or contributing to death or bodily injury (but it must cover psychological injury or emotional distress arising from the negligence or breach of duty);
 - Any liability of the insured for causing or contributing to damage, destruction or loss of any property (other than property in the care custody or control of the firm and used in connection with it) except that the insurance must cover such liability which arises from the negligence or breach of duty;

- Partnership disputes or any disputes between the principals of the insured;
- Employment breaches or disputes;
- Any debts or liabilities, whether trading or personal, that the insured incurs;
- Any fines or penalties howsoever caused.
- The insurer need not cover or assume any liabilities incurred through the fraud or dishonesty of the insured where the insured admits or is found guilty by a court or other judicial body of fraud or dishonesty.

THE ILEX CLIENT PROTECTION SCHEME

1. Introduction

This Scheme has been established for the benefit of the clients of ILEX Practitioners who suffer loss as a result of an ILEX Practitioner's dishonesty or failure to account. It is established by contract between IPS and each authorised ILEX Practitioner. Under the Scheme IPS may make grants to clients from a Protection Fund but is not legally obliged to do so. This document sets out how money is raised for the Protection Fund and the policies IPS intends to apply in deciding in its discretion whether or not to make a grant from the Protection Fund.

2. The Establishment and Maintenance of the Protection Fund

- 2.1 IPS shall establish and maintain a fund called the Protection Fund of such amount as it shall consider appropriate.
- 2.2 Each ILEX Practitioner shall make such contribution to the Protection Fund at such time as IPS (acting through the IPS Board) shall decide and such contribution shall be due to IPS as a debt upon written notification of the amount due.
- 2.3 IPS shall hold such part of the Protection Fund as is not immediately required to make payments on interest bearing deposit or in other appropriate investments and shall accrue all income to the Protection Fund.
- 2.4 IPS shall hold the Protection Fund pursuant to its obligations hereunder but shall not do so as trustee.

For the purpose of this Scheme an ILEX Practitioner is a person authorised to practise as such by IPS in accordance with any ILEX practitioner rules.

3. Payments from the Protection Fund

IPS shall be entitled in its discretion to make payments from the Protection Fund for any of the following purposes:

- 3.1 the making of grants or payments to clients of ILEX Practitioners who have suffered loss as a result of a ILEX Practitioner's dishonesty or failure to account;
- 3.2 to meet the costs of operating the Fund;
- 3.3 to refund contributions;
- 3.4 to pay premiums in relation to any insurance effected for the purpose of the Scheme;
- 3.5 to repay any loan or liability incurred for the purposes of the Scheme;
- 3.6 to make any other payment which in the reasonable opinion of IPS is desirable to further the purposes of the Scheme.

4. Accounts

IPS shall annually publish a report on the operation of the Scheme and Accounts for the Protection Fund.

5. Borrowing and Late Payments

- 5.1 For the avoidance of doubt IPS shall be entitled to borrow for the purposes of the Scheme and deposit the Protection Fund or charge any assets comprised within it as security for any loan or facility taken for the purposes of the Scheme.
- 5.2 Any sum due from an ILEX Practitioner to IPS shall carry interest from seven days after due date at a rate to be decided from time to time.

6. Policies

- 6.1 IPS adopts the Scheme Policy set out at Annex 1 hereof for the operation of the Scheme but may in its discretion modify that Policy from time to time provided that any modification is published prior to taking effect.
- 6.2 IPS will exercise discretion in relation to any application under the Scheme and will not be bound by the Scheme Policy in any case it considers exceptional.

7. Application Procedures

IPS adopts the Application Procedure set out at Annex 2 hereof but may in its discretion modify that procedure from time to time provided that any modification is published prior to taking effect.

8. ILEX Practitioner's Indemnity

- 8.1 Any ILEX Practitioner in respect of whom a grant is made shall indemnify IPS to the extent of any sums paid from the Protection Fund.

- 8.2 Any ILEX Practitioner who is in default of any obligation to pay client funds or whose client account is probably deficient shall upon written notice given by IPS lodge with IPS such sum as IPS may by that notice require as security against any future liability under 8.1 above.
- 8.3 Any ILEX Practitioner who fails to lodge or pay any sum required under this clause shall not deal with or dispose of any asset or make any payment except insofar as the ILEX Practitioner's personal net assets substantially exceed the amount required by notice under paragraph 8.2.

Annex 1 SCHEME POLICIES

A. BASIC PRINCIPLES

1. Composition of Fund

The fund shall comprise of:

- Contributions made to the fund by ILEX members and ILEX Practitioners;
- Such of ILEX's reserves as ILEX shall make available for the compensation fund from time to time;
- Interest received on the fund;
- Money borrowed for the benefit of the fund;
- Money recovered by IPS as a result of payments it had made out of the fund;
- Any other money deemed by IPS to form part of the fund.

2. A Limited Fund

The Protection Fund does not have unlimited resources and therefore its application must be the subject of priorities. Its object is to replace funds misappropriated from an ILEX Practitioner's client account where no other possibility of recovery exists.

3. A Discretionary Fund

Applicants have no right to a grant but seek a favourable exercise of IPS' discretion to make a payment in appropriate cases.

4. Applications

It is for an applicant to provide IPS with all of the evidence necessary for a grant to be considered.

B. FACTORS IN THE EXERCISE OF DISCRETION

5. Applicants who will generally not receive a grant

Applicants who:

- 5.1 have not acted throughout with integrity; or
- 5.2 have contributed to their loss by their conduct or carelessness; or
- 5.3 have applied on the basis of a failure to account but have not suffered significant hardship as a result of that failure; or
- 5.4 have failed to co-operate with an investigation or enquiry conducted by IPS or any other authority;

will generally not receive a grant or may receive a reduced grant.

6. Applications which will generally not be successful

Applications which:

- 6.1 do not contain all necessary facts and documentary evidence; or
 - 6.2 are not made as a last resort; or
 - 6.3 are not made promptly and in any event within six months of loss;
- will generally not be successful.

7. Losses which will generally not be the subject of a grant

The following losses would not generally lead to the making of a grant:

- 7.1 losses other than those arising from the dishonest misappropriation of, or failure to account for, funds on client account; or
- 7.2 lost interest agreed to be paid; or
- 7.3 lost profits or consequential expenses; or
- 7.4 losses arising from professional negligence; or
- 7.5 losses arising from poor service; or
- 7.6 losses arising outside of the normal course of an ILEX Practitioner's practice.

8. Supplementary grants

When a grant is made a supplementary grant may also be made as a contribution to:

- 8.1 the loss of deposit interest from the date of loss until the date of grant; and/or
- 8.2 any legal costs reasonably incurred in making the application for a grant.

9. Maximum grants and interim grants

- 9.1 IPS will publish from time to time the maximum amount that may be awarded as a grant from the Protection Fund.
- 9.2 In cases of exceptional urgency and severe hardship IPS may make interim grants of a proportion of the amount expected to be paid upon completion of any application and such interim grants may be subject to such conditions as IPS shall consider appropriate including (without limit) repayment.

10 Subrogated rights

As a condition of the making of any grant applicants will be required to execute such documents as are required by IPS for it:

- 10.1 to be subrogated to any rights and remedies of the applicant in relation to the act or default in respect of which a grant is to be made and to permit IPS (subject to a sufficient indemnity against costs) to sue in the applicant's name for the benefit of the Protection Fund to the extent of the grant, interest and costs; and/or
- 10.2 to receive the benefit of any such right or remedy as referred to in 9.1 and to the same extent by way of assignment or otherwise.

11 Further conditions of any grant

As further conditions of any grant IPS may require an applicant:

- 11.1 to undertake to co-operate with any enquiry by IPS or any other authority or person into the conduct of any person;
- 11.2 to provide evidence and/or assistance in relation to any proceedings.

12 General issues

- 12.1 A grant may be made in respect of a person who was previously an authorised ILEX Practitioner and continues to hold themselves out as such

to an applicant who reasonably believes that they continue to be an authorised ILEX Practitioner.

- 12.2 Applications under the Scheme must be made in the form required by IPS as modified from time to time.
- 12.3 A failure to respond promptly and adequately to queries in relation to an application raised by IPS may result in the application being rejected.
- 12.4 An applicant may only make a further application for a grant in respect of the same loss if they are able to provide significant new evidence which was not previously available to them.
- 12.5 The amount of any grant will be reduced to take into account any costs which an applicant might reasonably have been expected to incur but for the circumstances leading to the application.

Annex 2 APPLICATION PROCEDURE

1. Procedural Requirements

- a. Applications shall be made in writing in the required form with accompanying documentary evidence to IPS;
- b. IPS will give written notice of any application to the Scheme to the relevant ILEX Practitioner or his representative before any grant is made;
- c. IPS will provide written notice of its decision in relation to any application with brief reasons to the applicant and the relevant ILEX Practitioner.

POOR SERVICE SCHEME

1. These rules deal with how a complaint made by a client against an ILEX Practitioner that the service the client received was inadequate should be dealt with. Poor service means a professional service which in the circumstances falls below that which might reasonably be expected of an ILEX Practitioner. This Scheme creates obligations upon ILEX Practitioners which are legally enforceable agreements between ILEX Practitioners and IPS. It is not restricted to matters which could form the basis of a claim for negligence.

Duties of the ILEX Practitioner

2. An ILEX Practitioner should ensure that they comply with rule 3.15 of the ILEX Practice Management Rules. The rule requires that an ILEX Practitioner must operate documented procedures which demonstrate a commitment to the resolution of client complaints in a speedy and satisfactory way.
3. Where a client has a complaint that they have received an inadequate professional service from an ILEX Practitioner or their practice they should initially refer the complaint to the ILEX Practitioner. The ILEX Practitioner is obliged to investigate the complaint in accordance with rule 3.15 of the ILEX Practice Management Rules.

Referral to ILEX

4. Where a client is dissatisfied by the ILEX Practitioner's handling of their complaint or the outcome of the complaint they may refer the complaint to IPS. A client must have exhausted the firm's procedure before their complaint about poor service will be considered by IPS, unless they can show good reason why the complaint should not be referred to the ILEX Practitioner in the first instance.
5. Complaints about poor service should be referred to IPS within 6 months of the ILEX Practitioner concluding their attempt to resolve the complaint under their complaints handling procedures (or if, exceptionally, that procedure does not apply, within 6 months of the cause for complaint). IPS may exercise discretion to accept complaints after this time limit has expired.
6. When the Office of Legal Complaints (OLC) is established, complaints regarding poor service which the ILEX Practitioner has been unable to resolve with the client, will be referred to the OLC.

Settlement of the Complaint by Negotiation

7. Upon receipt of the complaint IPS will, at the first instance, try to resolve the dispute between the client and ILEX Practitioner by negotiation unless it is inappropriate to do so. The negotiator may be a member of IPS staff who negotiates with the parties with the aim of settling the dispute.

8. The negotiation will commence within 14 days of IPS receiving the complaint.
9. Where an attempt to settle the complaint by negotiation fails or is not appropriate the complaint will be referred for investigation.

Investigation by IPS

10. Where it has not been possible to resolve the dispute through negotiation or IPS believes it is inappropriate IPS will deal with the complaint in accordance with the procedure set out in its Investigation, Disciplinary and Appeals Rules (IDAR).
11. Where IPS decides that the client should first make use of any other procedure it may suspend its own investigation into the complaint while the client exhausts that other form of redress.
12. IPS or its nominee shall have the power to require by written notice that the ILEX Practitioner produce to IPS or the nominee the client file (and any related accounting or other records) to assist in the investigation of the complaint. The ILEX Practitioner should retain a copy of the file before submitting the original.
13. An ILEX Practitioner against whom an investigation is being conducted is obliged to deal promptly with correspondence sent to them during the course of the investigation. Where an ILEX Practitioner fails to reply promptly or at all or does not co-operate with the investigation IPS will consider whether that conduct amounts to misconduct. If IPS decides that it does amount to misconduct it will decide what, if any, action to take in accordance with the powers available to it under the IDAR.

Powers of IPS

14. Where IPS decides that an ILEX Practitioner has provided poor service it may in addition to any other powers and options available to it under the Investigation, Disciplinary and Appeals Rules direct that the ILEX Practitioner:
 - Correct the error which led to the complaint at their own cost.
 - Undertake any action that IPS requires in the client's interest at the ILEX Practitioner's own cost.
 - Waive all or part of the fees and/or disbursements otherwise chargeable to the client.
 - Pay compensation to the client (or any other person intended to benefit from the ILEX Practitioner's services) up to a maximum limit set by the IPS Board from time to time.
 - Take any other remedial action that IPS may consider appropriate.
 - Pay IPS a sum in respect of the cost of dealing with the complaint.
15. IPS may direct the ILEX Practitioner to pay interest on any payment due to the client.
16. IPS may direct the ILEX Practitioner to deliver the client's monies and files held by or on behalf of the ILEX Practitioner to IPS or the client.

17. An ILEX Practitioner is contractually bound by IPS to comply with any direction made by IPS and may, in addition to any other consequence, be the subject of court proceedings by way of enforcement.

18. In addition to any other remedy a failure by an ILEX Practitioner to comply with a decision of IPS may result in the complaint being referred to the IPS Disciplinary Tribunal.

Compensation

19. An order of compensation may include recompense for:

- Financial loss
- Distress and inconvenience

Directly caused to the client by the ILEX Practitioner's poor service.

20. In deciding the level of compensation to be paid IPS will take into account any action the ILEX Practitioner has taken to deal with the complaint including any remedial action that has been taken.

21. IPS may conclude a complaint on the basis that no further action is required if it considers that the ILEX Practitioner has dealt with the complaint appropriately and, if applicable, made a reasonable offer of compensation.

22. On section 114 of the Legal Services Act 2007 coming into force, powers to order redress in relation to complaints of poor service will lie with the Office of Legal Complaints.

Obstruction of complaints and investigation

23. It is unprofessional conduct for an ILEX Practitioner to seek to prevent a client from reporting the ILEX Practitioner's conduct or making a complaint.

24. It will not be unprofessional conduct for an ILEX Practitioner to propose an agreement in full and final settlement, provided that the client understands that while it does not prevent a complaint being made, IPS will take the agreement into account in its investigation.

Modification or termination

25. IPS may terminate this Scheme at any time and may from time to time modify its provisions as it thinks appropriate.
